

Larvik 1st December 2021

To whom it may concern

Last time buy (LTB) and end of life notification (EOL): Jotron Tron SART battery, part number 96978

30 years after the release of the first Tron-SART, Jotron AS hereby inform that the spare battery type Tron SART battery (part number 96978) will be removed and made EOL from 1st April 2022.

Due to this EOL, Jotron offers their partners a LTB as below:

The LTB period will start the 1st December 2021 with end-date 31st March 2022.

Last shipment date is 1st April 2022.

The EOL date is 1st April 2022.

Jotron will grant an extra discount if the Tron SART battery is bought in a minimum quantity of 10 units or 25 units.

MOQ of 10 units discount of 35%

MOQ of 25 units discount of 50%

If any questions regarding this LTB/EOL, please contact your local Jotron sales representative.

Sincerely,

Jotron AS
